*Creighton Photography LLC*  
513-245-1497

Special events are priced per the event  
CALL for your special event

# Creighton Photography LLC

For all your Special photography needs

### **Choosing Outfits**

When you are choosing your outfits for your photo session, try to stay away from bright colors. When looking at a photo with bright colors your eyes look at the color first, then the person or persons in the photo. Wear clothes that are comfortable and make you feel good. Don't hesitate to call and ask for help. We would be more than happy to give you suggestions.

**Schedule your appointment today!**  
**Evening and Weekends available.**
