

Thank You for considering Creighton Photography LLC as your photographer. Your wedding will be one of the happiest days of your lives. The photographs will be your most cherished record of the family and friends who share it with you. Creighton Photography LLC works hard for it's customers to provide the highest quality photographic images. We take great pride in our service from the first conversation through the delivery of the finished product. There are no hidden costs. We give you our prices in writing up front so you know exactly what you will be spending. All packages can provide coverage of the wedding and reception. There are no extra charges for multiple locations.

We look forward to working with you.

Sincerely,

David Creighton
and our wonderful staff
